**RESPONSE TO OFFICE ACTION OF NOVEMBER 9, 2000**

Dear Examiner:

In response to the Office Action mailed on November 9, 2000, Applicants submit the following amendments and remarks. Applicants wish to thank the Examiner for the thoroughness of the Examination and the suggested amendments. Enclosed herewith is a Petition to Revive and the fee as set forth in section 1.17(m), a new oath/declaration, copy of assignment, and Power of Attorney by Assignee of Entire Interest Assignment.

**In the Specification:**

In this Office Action, the Examiner suggested that the specification contains numerous references to hyperlinks that are an improper incorporation by reference and consequently require deletion. However, Applicants assert that the hyperlinks on page 11, line 5 and line 26, page 25, lines 13-16, and page 28 are not meant to incorporate subject matter by reference, but are merely to provide an example to better illustrate Applicants' exemplary embodiment.
